Memorandum

Reference your Dy/no. A/2664 of 15th May 1900.

Information has been received from the Adjutant General in India that the Submission of monthly Casualty certificates for men on Service Land Scattered as they are in South Africa would give a great deal of extra work and that in the opinion of His Excellency the Commander-in-Chief it would suffice if monthly Casualties were communicated. In the absence of such communication it might be assumed that the men were alive and their families entitled to the usual allowances from their pay.
